PLEASE PRINT ALL ENTRIES CLEARLY

One of the sad but inevitable tasks performed by Home Headquarters, is contacting the former colleagues of members who have passed away. Knowing who those friends and colleagues are, is not always easy. If you feel that you would like to let us have a list of your former regimental colleagues and friends whom you would like us to contact, we should welcome that information on the reverse of this form. You may also care to consider letting us know of any other wishes.
